

Concurrence from Landowner Showing Operator Has Control of Property
Through the Contract Period

I am aware that my property, which I own, and lease or rent to _____ will be offered for enrollment into the Agriculture Enhancement Program (AgEP) with the Western Conservation District. I concur with the application being offered and understand that structural and/or vegetative practices may be installed on my property. I grant _____ permission to install, operate and maintain the practices for the term of the AgEP Contract.

_____ will have control of my property for agricultural purposes from the date this form is signed thru the expiration date of the contract.

The property consists of approximately _____ acres which is located at _____ . (see map)

An IRS Form W-9 will be issued in the amount of the cost share to the operator.
