Dennis will contact Seth to see if he can still assist the district with the application.

Dennis discussed holding a community “meet and greet” dinner meeting to see if there is interest in 319 projects and volunteers to help promote 319 projects in the future by creating a watershed association. The volunteers could help with in-kind services if 319 projects develop in the future. **Dennis Bailey moved to set up and fund a dinner meeting for the Pipestem creek project not to exceed \$500.00 from the CDO fund. Ray Lafferty seconded. Motion carried.** Dennis will set up the meeting.
