### **Minutes of the GVCD Regular Board Meeting August 16, 2018**

The Greenbrier Valley Conservation District Board of Supervisors met on Thursday, August 16, 2018 in the conference room of the Lewisburg USDA Service Center. Those attending were:

#### **Supervisors:**

Avery Atkins  
Gary Sawyers  
Gary Truex  
Jerry Clifton  
Timothy Van Reenen  
Carolyn Miller was absent due to work.

#### **Others:**

Jeremy Salyer by Skype  
Lynn Woods

#### **Call to Order**

Chairman Gary Sawyers called the meeting to order at 7:05pm.

#### **Approval of Minutes**

Motion was made by Gary Truex and seconded by Timothy VanReenen to approve the minutes of the July 19, 2018 regular board meeting and the July 26, 2018 special board meeting. Motion passed.

**Guests** - None

#### **District Manager Report**

- Lynn Woods referred to her written report, which is attached.

#### **Funding Requests**

- Gary Truex moved and Jerry Clifton seconded the motion to send both the LOR for State Match for FY19 OMR Funds Received from City of White Sulphur in the amount of \$2,500.00 and the LOR for NPS1624 JAMES RIVER BMP FY17 in the amount of \$24,000.00. Motion passed.

#### **Cooperating Agency Reports**

- NRCS - Katy McBride send a written report and a proposal for FY20 Anthony Creek for review. She was unable to attend. Copies are attached. There was no update on Davis Stuart. No action was needed at this time. Supervisors will review the proposal.

- *WV Division of Forestry* – not present
- *FSA* – not present
- *WVCA*  
Jeremy Salyer submitted a written report which is attached and deferred his report time to the end of the meeting as much of it would be addressed by the agenda.

### **Unfinished Business**

- Banquet – Lynn reported on banquet progress. Invitations will go out next week. No action needed at this time.
- Conservation Farm – Lynn reported that the schedule for the Conservation Farm Tour has been set and communicated to us. Judges will depart Lewisburg hotel at 8am to arrive at the Masters Farm at 8:30am. Judging will end at 10:30am. There was discussion about the presentation. Avery Atkins has chairs that can be borrowed, so there will be no need for rentals. **Timothy VanReenen moved and Avery Atkins seconded the motion to approve a budget of up to \$50.00 to provide drinks. Motion passed.**
- The tractor presentation will begin between 11:30am and 12pm at the Helmick Farm. **Jerry Clifton moved and Timothy VanReenen seconded the motion to have lunch for the event catered by Pickaway Pickins at a cost of no more than \$600.00. Motion passed.** Lynn will contact Mrs. Larew to request use of their pavilion.
- Jeremy Salyer reported that there has been no definite information received on the Strategic Agricultural Listening sessions. Lynn has provided location information as requested. A tentative timetable of the week of September 23<sup>rd</sup> was communicated. Jeremy has passed along the message that the GVCD banquet is scheduled for September 25<sup>th</sup>.
- Lynn reported that Davin White has said the districts will need to purchase their Ag Day displays. Estimated cost is \$123.50 - \$138.50 per display including the stand and scroll. He is currently researching vendors for the stands. The district needs to decide what to put on the scrolls.

### **Committee Reports**

#### *Finance Committee:*

#### Financial Report:

- *General and CDO Funds Report* – **Gary Truex moved to accept the General and CDO Funds Reports and file for audit. Seconded by Timothy VanReenen. Motion passed.**
- *WVCA Restricted Funds Report* – **Timothy VanReenen moved to accept the WVCA Restricted Funds Reports and file for audit. Seconded by Avery Atkins. Motion passed.**
- *Payment of all General Funds bills*— **Gary Truex moved to pay all General Funds bills, per payables list, as presented. Seconded by Timothy VanReenen. Motion passed.** List is attached.

#### *Agricultural Enhancement Program Committee:*

- Timothy VanReenen noted that we have not yet received AgEP funds for FY19.

- Timothy VanReenen presented the committee's recommendation for funding of comprehensive pasture development. He also introduced the recommendation of revising the funding policy for FY20 GVCD AgEP to reflect CPD as the base for all non-lime funding. This would involve a) submitting policy revision providing rationale for policy change; b) submitting ranking scoresheet for approval by State Conservation Committee (SCC); and c) completing a detailed plan for FY20 execution. Jeremy Salyer stated that the practices would need to be tracked separately until a "CPD" practice is approved by the SCC.
- Timothy VanReenen moved and Gary Truex seconded the motion to approve, contingent upon receipt of AgEP funds, the following cooperators for the listed amounts for the individual practices that will result in a comprehensive pasture development and track those practices separately:

▪ Mary Ann Hinkle	\$ 3,044.07
▪ Valley View Farm - Don Dransfield	\$ 5,173.31
▪ Amy Wasalaski Kennedy	\$ 1,982.06
▪ Thomas Turpin II	\$ 9,059.55
▪ Bane Morris	\$ 7,198.58
▪ William E. Miller	\$ 3,793.29
▪ Barry Miller	\$ 4,597.68
▪ Frank Masters	\$ 2,217.57
▪ William Nester	<u>\$ 2,303.51</u>
▪ Total:	\$39,369.60

In discussion, there was concern expressed about the fact that we have not yet received AgEP funds and the problems caused by the delay. It was noted that this is the time of year that cooperators need to be implementing their practices and they are ready to do so but are on hold because of the funding delay. Jeremy Salyer explained that the Auditor's office has been dealing with major state issues in other agencies, which has caused all districts to experience delays in processing of LORs. Gary Truex asked Jeremy Salyer to relay these concerns to Brian Farkas. **After the discussion, a vote was taken and the motion passed 3 to 1, with Jerry Clifton casting the dissenting vote.** It was agreed that the FY20 revision recommendation would be considered at a later date.

#### *Grassland Committee:*

- A call was placed to Barry Level regarding outstanding grassland farm recognitions. He was not immediately reached so the topic was tabled while awaiting his return call.

#### *Building/Equipment Committee:*

- Sealed bids were solicited for purchase of the Ag Mist Sprayer. Ads ran in the Monroe Watchman, Pocahontas Times, and WV Daily newspapers to reach the entire district. This was also advertised on Facebook, emailed to other districts, and posted on the front door of the USDA building. Three bids were received. Gary Truex opened the bids and they were as follows:

Dennis Burns     \$ 200.00  
 Kevin Okes        \$1,119.00  
 C. Zach Hileman   \$ 800.00

**Avery Atkins moved and Timothy VanReenen seconded the motion to accept the high bid of \$1,119.00 from Kevin Okes. Motion passed.**

- The subject of outstanding grassland farms was re-visited. **Timothy VanReenen moved and Avery Atkins seconded the motion to delegate Barry Level to choose outstanding grassland farmers for recognition by 8/24/18 and if none are selected by that date, to forego recognition this year. Motion passed.**
- Avery Atkins noted he and Gary Truex need to schedule a time to come to the office and order the security cameras on the District's credit card. He also has an appointment for an insulation estimate on the building some time after the fair.
- Lynn reported that both of the recently sold post drivers were picked up and paid for.

#### Other Committees

Nothing to report.

#### Watershed Reports

- *WVCA O, M & R Report* - Judith Lyons provided a written report, which is attached. She had also sent an email (with a CCR and photos) regarding action needed on a site reported by Nannie Vance in Monroe County. This job is estimated to be under the \$2,500.00 threshold to require a job showing. **Gary Truex moved and Timothy VanReenen seconded the motion to delegate authority to Avery Atkins to work with Judith Lyons to complete this project. Motion passed.**

#### *319 Committee:*

- Jerry Clifton presented the following from the agenda:

##### **Invoices (M):**

- Tuckwiller Well Drilling – Debra McClung – Second Creek - Not to exceed \$9,717.00
- Tuckwiller Well Drilling – Kathleen Wilson – Second Creek - Not to exceed \$22,380.00

**The committee moved and Avery Atkins seconded the motion to pay the invoices.** In discussion, Jerry Clifton stated that he was not aware of these invoices and no copies were provided for review. There were questions as to why an invoice would be “not to exceed” rather than an exact amount. A call was placed to Dennis Burns for clarification. Dennis did not answer immediately. **Avery Atkins moved and Timothy VanReenen seconded the motion to table the previous motion until clarification was received from Dennis Burns. Motion passed.**

- There were no new contracts.

#### Actions Between Board Meetings

- Gary Truex reported that he had opened and rejected all bids for GVCD 2018-07-26 OMR Marlin Run and GVCD 2018-07-26 OMR Howards Creek because they again exceeded cost estimates. Judith Lyons is looking into other options through the sponsors.
- Gary Truex reported that he had purchased EDDM postage on the District's credit card for flyers about the Anthony Creek public meeting. Discussion ensued about the public meeting.

#### Correspondence

- Gary Sawyers read a letter from FEMA & WVDHSEM about Risk Mapping. They will be holding a public meeting for our area on September 4, 2018 at the Greenbrier County Health Department. Jeremy Salyer noted that this

information has been sent to the WVCA Watershed Division. Consensus was that direct Board involvement was not needed at this time.

- Gary Sawyers read a letter from Alan Miller in response to our letter regarding State Conservation Camp.
- Gary Sawyers read a letter from Senator Stephen Baldwin concerning his constituent Evelyn Dolin. The letter will be forwarded to the Watershed Division for consideration and a reply will be sent to the Senator to inform him of that action.
- At this time Dennis Burns called back about the 319 invoices. He explained where to find the copies and answered questions about why they were listed as “not to exceed” amounts. He said they were submitted at the last minute and still needed to be reconciled with the contracts but would only be less, not more than, the amounts. They were listed as “not to exceed” due to time constraints on these funds and the need to expedite the approval. The Board was reluctant to approve the payments in this manner. **Avery Atkins withdrew his table motion and Timothy VanReenen his second. The committee rescinded its motion to pay the invoices and Avery Atkins his second. Avery Atkins then moved and Timothy VanReenen seconded the motion to delegate authority to Jerry Clifton to approve payment of the invoices from Tuckwiller Drilling upon review and reconciliation of the invoices to the contracts. Motion passed.**
- Barry Level also called back. He has a list for outstanding grassland farms which he will give to Lynn by 8/24.

#### New Business

- Lynn reported that Chelsea Cook, FSA Pocahontas, has scheduled a Women-in-Ag planning meeting for 8/23/18. She asked if and to what extent GVCD wants to sponsor the event. She noted that last year, \$800.00 was donated for purchase of lunches. **Gary Truex moved and Timothy VanReenen seconded the motion to contribute \$500.00 toward the cost of this year’s event. Motion passed.**
- Gary Truex reported that Jack O’Connell is willing to serve on the Greenbrier County Farmland Protection Board if appointed. **Timothy VanReenen moved and Jerry Clifton seconded the motion to recommend Jack O’Connell for appointment to the Greenbrier County Farmland Protection Board.** There was discussion about a recommendation for appointment to the Monroe County Farmland Protection Board. A call was placed to Carolyn Miller who could not attend due to work obligations to inquire if she wished to serve or had a recommendation and she did not. She said that she would gladly assist Avery Atkins in finding someone if needed, but that she would be fine with him making a recommendation if he knew of an appropriate person. Avery Atkins suggested Kevin Johnson and left a message for him to return his call. **Timothy VanReenen moved and Jerry Clifton seconded the motion to delegate authority to Avery Atkins to make a recommendation for the Monroe County Farmland Protection Board as soon as possible. Motion passed.**
- Davin White has requested a Supervisor participate in monthly communications committee conference calls on the 4<sup>th</sup> Wednesday of each month at 9am. The next one will be on August 22. A printout of the skype and call-in information was provided to Supervisors, so they could participate at will, but no one was appointed.

#### Approval of Conservation Agreements & Terminations

- None

#### Approval of Conservation Plans

- None

### CREP

- None

### Other Business

Jeremy Salyer completed his report by saying that the SSRP program should go live October 1 and he will keep the district posted. He reminded the Board that the WVACD is accepting proposals/bids on hosting either the April or July quarterly meetings for the upcoming year. It is time to start the Agreed Upon Procedures process. Instructions are to come on changes to OMR sponsor payment procedures.

### Adjournment

With no further business, the meeting adjourned by consensus at 9:20pm.

Respectfully submitted,

## **NRCS REPORT – GREENBRIER VALLEY CONSERVATION DISTRICT**

**August 16, 2018**

### **Farm Bill Programs**

- EQIP – The Union Field Office is still working on their 3 Indian Creek approvals. Katie Louck is working on the GWW (Golden Winged Warbler) applications for the district.
- AMA – No funding yet (may not get any for FY18)
- CSP – Union and Lewisburg Field Offices have turned in their contract folders to be reviewed for obligation. For 2014-1 renewals, the CAET must be completed by September 30<sup>th</sup> (according to our timeline).
- FCA (Focused Conservation Approach) – All FCA Project Proposals have been submitted to the Beckley Area Office for review and are now being reviewed at the NRCS State Office.

### **Personnel/Other**

- Katy will be Acting DC until October 1<sup>st</sup>. After October 1<sup>st</sup>, our new DC will be Linda Ortiz. She is currently a Soil Conservationist with NRCS in Michigan.
- Josh and Silas have been working with our area engineering staff on the stream projects in Pocahontas County.
- Field Office staff have been surveying and designing engineering practices, contract maintenance, Ag Learn trainings, reporting goals (CTA and EQIP), etc. The district has met their CTA Planning and CTA Applied Goal for FY18 and is currently over 80% of their EQIP applied goal.
- Lee, Josh, and Katy have been working on ALE (Agricultural Land Easement) plans for the FRPP applications selected for funding.
- The Field Offices have been working with Katie Louck and Kyle Aldinger on the GWW and CW applications.
- Silas, Josh, and Chris worked at the USDA Service Center display at the WV State Fair. Dewey will be working at it later this week.
- Katy attended the 2018 National Envirothon in Pocatello, Idaho.
- Josh, Chris, and Lee attended an easement training at the Beckley Area Office.

3<sup>rd</sup> Place – Kathryn R. Goddard, UOCD

#### **North East meeting/request-**

In April, representatives of the conservation partnership met in Tarrytown, NY, to begin the discussion on how can we reinvigorate locally led conservation in the Northeastern United States.

While the discussion focused on several areas, and one key area was training. Not, just technical training for technicians, but creating a training regime to help conservation district supervisors and state conservation committees be better prepared for the challenges facing the soil and water conservation system in the 21<sup>st</sup> Century.

It is in that spirit that the training committee is asking you, your organization and the conservation partners you work with, to spend 20 minutes reviewing the attached training subject areas and responding to the 10-question survey. The survey is located here: <https://www.surveymonkey.com/r/9G3C336>

Your survey is confidential so please comment freely.

#### **Ag Strategic Plan Survey**

All 14 conservation districts are asked to host listening sessions being conducted by WVCA, WCDA, WVU and Extension. The purpose is to try to get as much information as possible on the Ag industry in WV and address issues. Each district will need to locate a suitable location for the listening sessions. A large room to hold approximately 50 attendees, will be needed for a facilitated discussion and some breakouts. Specific detailed information regarding these sessions will be sent to the districts as it becomes available. Meetings are tentatively set for the last week of September. Supervisors are encouraged to attend, and to ask others who may have an interest in the future of agriculture to attend.

#### **Agreed Procedures Engagement (Audit)**

Conservation Districts are asked to begin the Agreed Procedures Engagement (APE) (audit) soon after the close of the fiscal year on June 30<sup>th</sup>. It is important that each district read their audit, and then take steps to correct any findings noted by the auditors. If you have questions, ask Kim or Jeremy.

### **District Vehicle License Plates (House Bill 4015)**

The law went into effect on June 1, 2018, and per the Division of Motor Vehicles all NON-state plates must be turned in.

Preliminary information is since Conservation Districts are political subdivisions of the state, vehicles owned and operated by districts cannot bear a green and white state plate.

The DMV says those plates must be surrendered, and districts would need to purchase regular WV plates for their vehicles at the annual registration cost.

Anita May continues to review this situation so be sure you send her your district fleet information by the end of July. All green and white plates will expire at the end of 2018.

### **Communication Committee-**

The West Virginia Conservation Agency is seeking to relaunch Communications Committee teleconference meetings beginning in August.

The idea is to share information about events happening out in the conservation districts and also at the state level to promote the good things happening with conservation across West Virginia. It will help in the promotion of activities before they happen and also to publicize activities after the fact.

Some examples we'd be looking to promote are farm field days, workshops, presentations by cooperators or educators/extension agents, educational events in the districts, school visits, district activities as they relate to Envirothon, Appalachian Grazing Conference, etc., program news as it relates to Ag Enhancement or Watershed Projects, volunteer efforts, and unique or interesting human interest stories about cooperators, supervisors or others in the districts. Other ideas about what to discuss on the calls are welcome.

Currently, the plan is to hold a monthly committee conference call, beginning no later than the week of August 20-24.

After consulting with some stakeholders, it is recommended that the supervisor who serves as chair of each conservation district designate one person (either a fellow supervisor or themselves) to act as a district liaison to the Communications Committee on the conference calls. Anyone else who wishes to participate is welcome to attend.

WVCA Communications Specialist Davin White will maintain a list of the designees and their emails so they will be notified about each of the calls.

### **Conservation Farm Tour Timeline:**

- **August** - State judging. August 28 - 30, 2018
- **October** – Presentation of Area and State awards at WV Conservation Partnership Annual Conference. County and District winners at local Conservation District annual banquets.

Area Conservation Farm Recipients:

East Area TVCD and GVCD will be moving on to State Tour

West Area WCD will move on to the State Tour

### **West Virginia WVACD State Fair Display**

The dates for this year's fair is from August 9<sup>th</sup> – August 18<sup>th</sup>. It is suggested that Supervisors contact their District Manager to sign-up for the time period(s) they wish to work.

### **Agricultural Day at the Capitol**

Agricultural Conservation Day will be January 30, 2019. If you have any suggestions on how to improve conservation visibility on that day, please present your ideas to you WVACD director and Kim or Jeremy.

### **State Conservation Committee Meeting Dates**

October 9, 2018

## **Watershed OM&R**

AG Opinion- With the recent AG opinion regarding funding agreements for O&M, it will be necessary to revisit these agreements on a yearly basis. A template of a revised agreement will be provided by the agency for use.

### **OM&R**

- Staff is performing monthly inspections and developing work orders and proposed contracts for the upcoming season.
- All districts statewide will be changing to fall annual inspections.
- Supervisors are always welcome to attend inspections. Please contact the Watershed Manager in your area for an updated schedule.
- Five-year work plans including estimates will be developed for all districts.

### **Citizens Contact Reports**

- Call Log Procedure – a call log procedure has been implemented to assure that calls are directed to the appropriate project section staff. Please call 304-872-4302 and your call will be directed as needed.
- Technicians are performing site and generating stream management plans and blockage removal based on the calls that are received.

### **EWP**

- Declaration in 8 counties in PVCD and EPCD.
- NRCS is performing the initial review of all sites. As of 7/19/19, there have been 56 sites total called in and 48 sites have been visited. Of these, there are 5 eligible blockage sites, 2 eligible DSR sites and 12 sites pending site visits.
- All eligible sites to date are in Hampshire and Pendleton counties. A contract to perform the work is underway.

### **SSRP**

- Streambank Stabilization and Restoration Program (SSRP) is a cost-share program to assist West Virginia landowners by providing streambank stabilization and the removal of qualified stream blockages. Information on this program will be provided at the Supervisor's Training.
- The program will begin on October 1, 2018. Information was presented on this program at the Supervisor's Training.

### **Stream Projects**

- Buffalo Creek – working on job showing.
- South Fork of Cherry River – will have job showing for Phase II of project with work starting mid-summer.
- Coal River – Design is in the drafting stage.
- Paint Creek (Kanawha Co) – New DEP project, working on survey.

### **Dam Rehab**
