**Others present:** Lynn Woods

**Others participating by phone or skype:** Judith Lyons, Mike McMunigal, Mike Yager, Barry Level

**CALL TO ORDER**

Chairman Gary Sawyers called the meeting to order at 10:00am.

**New Business**

Gary Sawyers stated the purpose of the meeting was to delegate authority to a District Supervisor to approve EWP agreements and expend EWP funds, if needed, related to recent flooding in the District. He noted the Governor has declared a State of Emergency for 18 counties, including Greenbrier and Pocahontas.

He said that there are currently four sites in Greenbrier County that have been identified for blockage removal. Additional sites could possibly be identified before the 30 day declaration ends. The contracting for this work will be handled by the Greenbrier County Commission, under a 7-1-3U sub-agreement. The District will reimburse the GCC, from EWP funds, for the cost of the work up to \$25,000.00, upon verification of satisfactory completion and proper submission of invoices and documentation. Any additional funds would require approval and modification to the agreement. Judith Lyons confirmed this information and there was a brief discussion.

**Timothy VanReenen moved and Jerry Clifton seconded the motion to delegate authority to Greenbrier County District Supervisor Gary Truex, to approve the EWP agreements and expenditures for the March 2021 flood event covered by the Governor's declaration. Motion passed.**

**Adjournment**

With no further special business, the meeting adjourned at 10:14am.

Respectfully submitted,
