Follow Ups from Previous Meetings

Cultural Resources:

- I have received 1 certified CRR since last meeting.
- Monroe still has 3 FY2022 contract participants waiting for field visits prior to approval to proceed with implementation. 1 Monroe FY2024 contract has been added to the list that need site visits. This makes 4 total waiting on site visits for CRR.

Engineering backlog:

- A NRCS WV Engineering Assistance Request/Tracker is now in service.
- Union staff are working on several engineering designs in house, with some survey or component assistance from Area Engineering staff.
- The expectation is that designs will be completed within one year of contract obligation. (Policy set by State Conservationist Jon Bourdon.)

Financial Assistance Programs

Active Contracts

- 187 Active contracts in Union (\$5,543,762.27 treating 24,497.0 acres)
- 34 of the 187 Active contracts in Monroe are FY2024 contracts (\$1,295,590.00 treating 4,797.4 acres)

Contract Management –

- 3 practices were certified and paid in the last month for a value of \$6,153.57.
- These 3 paid practices were comprised of 324.5 acres in polygon/acreage practices.
- Conservation Stewardship Program (CSP) contracts (except CSP-Grassland Conservation Initiative) are receiving the same \$4000.00 Minimum Payment as new PY2024 contracts. This applies to PY 2020, 2021, 2022, and 2023 contracts. Modifications are being mailed out by the State Office, and are returned to the responsible DC.
- I have received several requests for a waiver to the requirement to install a practice within 12 months of contract obligation on 2023 EQIP and AMA contracts.
- Contract Reviews have been completed on all active contracts. We are now moving forward with actions outlined in those contract reviews.

Working Applications –

- 5 ACEP-ALE applications (contracts with the Monroe County Farmland Protection Board for not-yet closed Easements) = NRCS portion of protecting farmland in Monroe County (\$869,412.00).
- No CSP-GCI applications to date in Monroe.

Expiring Contracts

- Monroe: 10 EQIP contracts were set to expire 12/31/2024.
- 6 of these expiring contracts have been completed or extended.
- 1 of these expiring contracts has been sent up for termination.
- 3 of those 10 expiring contracts have been modified but the modification has not yet been approved.

Cancellations

- Union: Received 2 cancellation request letters in recent months.
- One is a High Tunnel contract, cites change in operation.
- 2nd is on a Forestry contract, cites major health issues. Has been paid for completed work. Action on cancellation request will be forthcoming soon.

Upcoming Deadlines –

- CSP PY2025 Application Deadline 8/16/2024.
- EQIP & AMA PY2025 Application Deadline 9/13/2024.
- CSP-GCI (Grassland Conservation Initiative) has been announced, and operators of farms with eligible base acreages have been mailed letters by NHQ. Application deadline is 9/1/2024, and preapproved applications must be obligated by 9/27/2024.

Office Administration

News and Events

- WVDA has asked us to reach out to dairy farms throughout the state to encourage them to sign up for an energy audit through NRCS. WVDA may also have some funding to help supplement NRCS payments for implementation (more to come on that later). Letters have been sent to our dairies.
- Deadline to apply for FY2025 Conservation Stewardship Program (CSP) set as August 16, 2024.
- Deadline to apply for FY2025 Environmental Quality Incentive Program (EQIP) and Agricultural Management Assistance (AMA) set as September 13, 2024.

Field Office Priorities

- Refer to deadlines above
- Contract Management
- Ongoing engineering design work
- Ongoing field inspection and certification work, including CSP PY2024 certifications
- CREP work with FSA
