

Thank you for your interest in the Samara Awards Program sponsored by the West Virginia Conservation Education Council, Inc., WV Association of Conservation Districts and the WV Conservation Agency.

We invite you to participate this year to test your students' knowledge of natural resources. Test scores need to be returned to the District by the last week of April; in time for awards to be returned to you for presentation during your awards assembly in May.

Please submit a **Teacher Score Sheet** when returning test results. This form is available for download on this website. Test results can be sent to your local conservation district office.

Please indicate the number of students in your largest class when ordering test booklets. Booklets will need to be returned to the District.

Good Luck.
