

SAMARA SCHEDULE

Following is a schedule of how the Samara Awards program progresses through the spring. Please note that this is a general timeline. Consult your local conservation district for specific dates.

February / March: Samara booklet requests made by teachers.

Mid March: Distribution of Samara materials to the county schools by the Conservation District Office.

Mid March / April *Teachers are to individually select the testing date for their class.

Last week of April: Due date for teachers to return the students' test scores to the district office.

May: Conservation District will mail out or deliver awards to participating schools and students for their annual awards ceremonies.
