◀ Civil 3D Core Skills Training ▶

The MAC is offering a Civil 3D Core Skills Training course on Thursday, Sept. 21, 2017. This class will focus on practical applications of AutoCAD® Civil 3D®, with an emphasis on the surface, alignment and profile tools that are most useful for professionals in erosion control and stream restoration.

The course and the instructors are being presented by CivilTraining, LLC which is a part of Wetland Studies and Solutions, Inc. This training will provide Continuing Education Units (CEU's) and Professional Development Hours (PDH's). Space is limited for this class, so the first 30 registrants will be guaranteed a seat in this class.

Registration for this class can be accomplished at the following:

<http://www.wvca.us/wwrc/mac/registration.cfm>

◀ CPESC ~ CPSWQ ~ CESSWI ~ CPMSM EXAMS ▶

To be eligible to take the CPESC, CPSWQ, CESSWI or CPMSM exams, you must submit an application for review and approval by the EnviroCert International Application Review Committee. Advanced registration for the review classes and exams will be through EnviroCert International, Inc.

For certification information and application, please visit www.envirocertintl.org. For additional information please contact Melissa Parry at EnviroCert International, Inc. (828-655-1600, Ext.133). The review courses for each of the exams will be held on Thursday, September 21, 2017 with the exams being administered on Friday, September 22, 2017. **CUT-OFF DATE FOR REGISTRATION IS SEPTEMBER 11, 2017.**

◀ EXHIBITORS ▶

Exhibitors must fill out the Exhibitors Registration Form. Exhibit space is limited to a 10' X 10' area. **Don't forget to check on the Exhibitors Registration Form if you need electricity.**
